These programs represent a collaboration between Boston Public Schools (BPS) and Community Music Center of Boston, now in our 38th year of providing outreach music and performing arts instruction in the BPS. The Music Center is a 106 year-old accredited non-profit music school in the South End. Our mission is to transform lives throughout Greater Boston by providing equitable access to excellent music education and arts experiences.

These concerts are funded in part through the BPS; The BPS Arts Expansion Initiative\*; The Hermann Foundation; and fundraising efforts by the Music Center. This program is supported in part by a grant from the Boston Cultural Council, a local agency which is funded by the Massachusetts Cultural Council, which receives support from the State of Massachusetts and the National Endowment for the Arts, and is administrated by the Mayor's Office of Arts and Culture.

\*The BPS Arts Expansion Initiative is a multi-year initiative focused on access, equity, & quality arts learning for BPS students.
