COMMUNITY **MUSIC CENTER** OF BOSTON

Community Music Center of Boston (CMCB)

Wind Ensembles • Chamber Orchestra • String Ensembles • Jazz & Rock • Choruses

Community Music Center of Boston is far more than a music school. It is a creative hub where people of all ages and abilities share music as common ground, and where diversity, expression and self-transformation are the very air we breathe.

Ensembles are the perfect way to connect with other students and enhance your study of music. At CMCB, ensembles provide an opportunity to build your repertoire, expand your performance experience and gain invaluable resources for your future music study. Auditions are open to all; you do not have to be a student at CMCB. We hope you will join us share in the love of music!
