TRANSFORMING LIVES THROUGH MUSIC SINCE 1910

Community Music Center of Boston (CMCB) is an arts education non-profit with a mission to transform lives throughout Greater Boston by providing equitable access to excellent music education and arts experiences.

Over 4,000 students participate in our programs every week. We are proud to act as the largest external provider of arts education to the Boston Public Schools, supporting rigorous, relevant, and culturally-inclusive musical instruction for one of the most diverse school districts in the nation.

CMCB is an anchor for local arts education. Our greatest strength is that a student who enters our programs is entering an entire ecosystem that can support them throughout their K-12 education and beyond. CMCB leadership also plays an important role in national conversations on cultural equity and creative youth development.
